

Hello Parents!

Fall is fast approaching, along with all the fall activities- school, apple orchards and of course AWANA! AWANA will begin Wednesday September 14, 2011.

Registration forms are available in the church lobby, as well as online at the church website- www.wausaualliance.org. We will continue meeting on Wednesday nights from 6:15 until 7:50 pm. Children will be allowed to leave only with the direct supervision of a parent or an appointed adult who will be taking them home. We will start and end in the sanctuary of Wausau Alliance Church.

Our Cubbies program, for 3-4 year olds, will continue to be led by Kathy Piquette, the Cubbies director. This year all Cubbies will work together through the Jumper book, learning who God the creator is, how He loves us, and why we love Him. Children entering Cubbies must be 3 by September 1, 2011.

Lora Hintze will be the Sparks director for this year.

Sparks, our program for K-2nd grade, will continue learning biographies from the Bible, while learning about Jesus our Savior. Children entering Sparks must be joining Kindergarten as of September 1, 2011.

Truth and Training, our 3rd through 6th grade program, will be directed by Erica Sturm. Children may begin Truth and Training (otherwise known as T&T) if they are entering 3rd grade as of September 1, 2011.

T&T books are divided up as follows: Ultimate Adventure (U.A) 1 & 2 and Ultimate Challenge (U.C.) 1 & 2. Ultimate Adventure is for 3rd and 4th grade, while the Ultimate Challenge is for 5th and 6th grade. If your 5th grader is still working through the blue book, you may have him/her complete that book before moving on.

This year, our 5th and 6th graders will receive Service Passports as well. They will need to choose 4 service projects to complete throughout the year. These projects may be done individually or as a group, and we will schedule some events that will count as a group service project. Our AWANA prayer is that all children will know, love, and serve Jesus Christ. These will be great opportunities to teach the importance of serving! Parents, you will need to sign off on the activity if the child completes it at home. If you have questions, see Erica Sturm or Jessica Szitta, the AWANA Commander.

Please complete the registration form and send it or bring it, along with any moneys due, to :
